

School of Sport Education NT Selection Policy Attachment A.

Generic School of Sport Education NT Selection Criteria (Also applies to regional team selections)

Students must:

1. Be enrolled in school and attending regularly.
2. Participate in the relevant Championship or Development and Interstate Selection Camp unless exemption has been granted.
3. Show athletic ability and an appropriate level and physical and mental fitness.
4. Display an appropriate skill level for the particular sport.
5. Demonstrate an ability to “read” play and understand strategy.
6. Demonstrate a versatility and willingness to play a variety of roles or positions.
7. Demonstrate a respectful attitude to others and be a good ambassador for self and those you represent both on and off the field of play.
8. Be receptive to coaching, listening to and following directions.
9. Display a willingness to get along with all team members and officials.
10. Demonstrate a commitment to the sport and a willingness to have fun.
11. Selections will be limited to the number of students permitted in the appropriate age range in the year of competition allowing for age dispensation if applicable.

Sport Specific selection criteria will be developed/updated by the interstate team officials at the beginning of each year.
